

Garden Wall Mosaics Course

with Kate Rattray

Black Barns Studios, Gorse Blossom Farm, Staplehill Road, Liverton, Devon TQ12 6FU

Two days 10.30 am – 4.30pm

This course is suitable for beginners and those with some experience.

We will start by making a small coaster (for indoors) in order to learn how to cut and place tile. (If you already have some experience then you can skip this part and begin planning your outdoor piece)

We will use glass and ceramic mosaic tiles (20mm x 20mm) .

You will have the opportunity to make a small outdoor panel made on cement board or a shaped wall piece such as a butterfly. As everyone works at their own pace there will be various sizes of boards available, but as a rough guide you can expect to make a mosaic about 15 x 15 cm in a day or a larger butterfly in two days.

Kate will teach you how to transfer a design, which adhesives and substrates to use, how to cut and prepare the substrate, how to use the adhesive and lay the tile, grout, finish and hang your work.

What to bring

Packed lunch.

Apron or wear old clothes.

Sketches you have made or ideas for simple designs.

- The fee includes: All materials, use of tools, a file of mosaic notes (emailed after the course), tea and coffee throughout the day.

Directions:

From Exeter: Take the A38 to Plymouth. Turn off at Drum Bridges roundabout and take the third exit to Liverton. Drive through the village on the main road up over the A38 bridge and turn left onto Staplehill Road. Black Barns studios at Gorse Blossom Farm is the third entrance on your right.
